Facts about NewSong Church

- We're an Assembly of God Church.
- We have a modern worship style, that is band driven.
- Our culture is very prophetic and charismatic. Think of a combination between Bethel Redding and the International House of Prayer. The Ramp in Hamilton, AL is another model with a similar style.
- Our worship is fast-tempo, high-energy with intense worship, while at the same time seeking authenticity. We are looking to maintain and build this culture in our church.
- Since 2013 our church has grown from 65 attenders to over 165 attenders with high watermark attendance topping out over 200. We are in the beginning process of a building program (land studies, design, developing architectural drawings) with the hopes of being able to transition high performing part-time staff into full-time paid positions once the building program is completed.

- We have a team-based approach to leadership that looks for all staff to assist and serve each other.
- We want to equip. The measure of success will not only be measured by if you can lead us into the presence of God, but by how many worship leaders you can train that can lead us into the presence of God.
- We will be producing high quality video clips from our worship and preaching services to flood social media with the presence of the Holy Spirit and our church.
- We're committed to excellence and building a kingdom culture throughout our church.
- The lead pastor is the cultural architect of our church culture. Music is the most important aspect of shaping a church culture, therefore the pastor will be highly involved in shaping worship atmospheres, song selection, etc.
- My personal goals are for the church to be healthy, revivalistic, modern and growing. **Things I'm looking for in a worship leader**
- It would be ideal if the leader could lead from the keys or guitar.
- We looking for a leader that seeks to help grow people, relationships, other worship leaders and our church.
- We're not looking for a worship leader that wants to shape the culture of the church, but a worship leader that excels within the culture we're building.
- It would be great if they were skilled in Planning Center software.
- It would be a bonus if the leader really understood sound, lighting and stage design. Logistics
- Pay between \$800 to \$1,200 a month based on experience, quality, etc.
- We're looking for someone who is willing to live in the area so they can be a part of the church and community. We're looking for a worship pastor not a contact worship leader.
- We're looking to secure the position at the latest in April 2018 with a start date in May 2018.
- I would like to see the prospect lead worship in a chapel, church service, worship event, etc. I would need to coordinate Contact Information **Senior Pastor:**
