Atlanta School of Ministry  
652 Angier Avenue  
Atlanta GA 30308

February 7, 2018

Dear Atlanta School of Ministry,

Greetings! We are praying for you and your church before 2018. Number eight is the number of new beginnings. Our prayer is that there is a freshness in your team and congregation. We are believing that the Spirit of the Lord is doing a new thing with you!

As for us, we have stepped into 2018 with God already doing something new! We are excited to embrace what God is doing. To catch you up we are in transition with our Worship Pastor, who has taken another position. Included in this letter we have provided a General Summary of Position that we are searching for. Because of our relationship, please feel free to distribute to someone that you would consider a potential candidate that fits our vision. We have attached copy to anyone who desires to be in full time worship ministry.

Please have resumes sent to [contact@flfministries.com](mailto:contact@flfministries.com).

Blessings,

A large, flowing handwritten signature in black ink, appearing to read 'Vic &amp; Tricia Comstock', written over a horizontal line.

Vic & Tricia Comstock

*Lead Pastors*

## **General Summary of Position**

### **Pursue Your Own Growth Spiritually, Musically And As A Leader**

As a pastor and leader, we are looking for a man who is self-motivated and desires to grow as a Christ follower and leader. You will be challenged to increase your intimacy with Christ and hone your God-given gifts as you fulfill your calling.

### **Prayer And Studying God's Word**

As a leader within the church it is important that you are sitting at Jesus' feet. Cultivating a life of prayer and studying God's Word are essential to being a Spirit-led leader.

### **Lead Your Family Well**

A man who doesn't lead his family has no business leading in God's church. It is essential that your home life is in order.

### **Be Comfortable With a Variety Of Worship Styles**

We understand that worship takes place in the heart. At Family Life Fellowship, we desire worship styles that are similar to Bethel, Church of the Highlands, Hillsong, and Elevation.

### **Spiritually And Musically Lead Congregation In Worship**

This is a non-negotiable. Leading a song is much different than leading people in worship. This should include short, relevant and pointed teaching on worship, scriptures, and postures of worship. The leader should be consistently calling the congregation to action, reflection and praise.

### **Work In Unity With The Staff and Creative Team Members**

Coordinate with the teaching so that the Weekend Experience flows and compliments the text and message each week. Diligence to ensure the theological accuracy of songs is a must. Any audio/visual needs to optimize retention, communication and excellence should be addressed.

### **Build Musical Worship Teams (*Sunday Teams, Youth Ministry Teams, and Special Events*)**

Collaborate with other Ministry Heads to develop Worship Teams that are in line with their ministry vision.

### **Identify, Invite, Invest And Inspire New Members Of The Team**

To make disciples is the goal of every ministry. Our desire is to see a multi-generational Worship Team that is consistently adding new members, empowering, and growing them both spiritually and musically to maturity.

### **Utilize The Growth Track Process To Develop Individuals**

We have a process in place that is an excellent resource to help cultivate individuals and teams. It is important that you engage, promote and hold people accountable to this process.

## **Personal Obligations**

- Personal life of devotion and worship
- Live a life worthy of leadership and patterning according to 1 Tim. 3 and Titus 1
- Be above reproach in your work with women / girls in ministry
- Engage in personal rest (including weekly Sabbath and days of solitude periodically)
- Resolve conflict quickly and in a biblical manner
- Be gracious and truthful in all interactions both in the ministry and community
- Tithe to the ministry of Family Life Fellowship
- To display a life of integrity on Social Media accounts
- Baptism in the Holy Spirit, with evidence of speaking in tongues is a must for Staff Leadership
