

The Oasis

Farmington, New Mexico

Youth Pastor Position

We are located in the Four Corners region of New Mexico, 45 miles south of Durango, Colorado. Our population is about 46,000. Our average weekend attendance is 450 to 500 in two Sunday services. Our worship style is contemporary (Hillsong, Elevation, Bethel, etc.). It would be an advantage for a potential candidate to have some connection or awareness of the culture of the southwest. I would prefer a married couple, but not necessarily limited to that. We currently have a pastoral staff that consists of a full-time worship leader and a full-time Children's Pastor.

My wife and I have served as pastors of The Oasis since 1988. We are looking for a couple with energy and a demonstrated love for God and for teenagers.

You can contact me through this e-mail or my office number [\(505\) 325-1757](tel:5053251757). I appreciate any help that you may be able to provide. If you have any question, please do not hesitate to contact me. Thank you.
